 Senior Clinical Oncologist

- Rapid Arc**
 Rapid Arc is an advanced technology we use in our True Beam 2.7 system to deliver radiation therapy with speed and precision. Rapid Arc shortens treatment times to one-half to one-eighth that of conventional radiation therapy.
- Image guided radiation therapy (IGRT)**
 We use image guided radiation therapy (IGRT). IGRT allows our doctors to locate and track the tumour at the time of treatment.
- Intensity-modulated radiation therapy**
 Intensity modulated radiation therapy (IMRT) is a state-of-the-art radiation delivery system that is used to treat difficult-to-reach tumours.

- Stereotactic radiosurgery**
 Stereotactic radiosurgery is a nonsurgical, highly precise form of radiation therapy we use to treat cancers of the brain, lung, as well as other types of cancer that requires a high degree of precision.
- High-dose rate (HDR) brachytherapy**
 High-dose rate (HDR) brachytherapy is a type of internal radiation therapy that delivers radiation from implants placed close to, or inside, the tumour(s) in the body. This technique ensures the maximum radiation dose is given to cancerous tissues, while minimizing exposure to the surrounding healthy tissue.
- Chemo-Therapy**
 All kinds of Chemo-Therapy Treatment for solid and Fluid malignancy are being done at our center for last 15 years

From the Pen of the President

Dr. Praveen Katiyar
President, IMA Kanpur
2016-17, 2017-18

Dear Member,

I am happy to present the Directory of IMA Kanpur members. The last directory was published in the centenary year 2011-12, since then the telephone numbers and address of the members have changed, also there has been significant increase in the membership of IMA Kanpur. So there was a need for a new directory with the updated details of the members. The work on the new directory commenced in the year 2016-17 but due to unforeseen circumstances it could not be completed within the stipulated time. However we were able to accomplish the task in the year 2017-18. Details of doctors who have joined IMA upto 31st August, 2018 have been included in this directory.

I would like to express my heartfelt gratitude to you all for keeping faith in me and waiting patiently for the directory. Your confidence in me gave immense strength to complete the mammoth task despite so many difficulties. I am extremely grateful to the Chairperson, Directory sub-committee Dr. A.C. Agarwal, Co-chairperson Dr. Alka Sharma, Hony. Secretary, IMA Kanpur 2016-17 Dr. Rahul Mishra and the members of the directory sub-committee for the invaluable help and support.

I would like to extend special thanks to Dr. Vikas Mishra, Co-ordinator, Directory Sub-Committee who gave me unstinting support in gathering funds and helping out with untiring diligence in completing the Directory. I would be failing in my duty if I do not pay my gratitude to Mr. R.S. Sachan, Office Superintendent for his commendable support in this task. I would also like to thank all the staff members of IMA Kanpur, who have helped me in collecting the details of the members.

I am indebted to members, Hospitals/Nursing homes & other advertisers, who have supported financially by providing their advertisements in it, without their support the Directory could not come in the present shape. My sincere thanks to all those visible & invisible ones, who have helped me out in this endeavor.

I hope that you will like the Directory in it's new format. I have tried my level best to keep the details accurate but if there has been some oversight, kindly pardon me for that.

I pray to God for good health, wealth and prosperity to you and your family.

I conclude with this wish --

“आपकी मुस्कान कभी होंठों से न छूटे,
दुनिया में आपसे कोई कभी न रूटे।
मेहरबान हो खुदा इतना आप पर
कि आसमान के तारे भी आपकी मर्जी से टूटें ॥”

With regards
Dr. Praveen Katiyar

Message from the Chairperson Directory Sub Committee

Dear Members,
Warm greetings!

Team IMA 2017-18 has again made it possible with immense persistent efforts to bring to you the updated most cherished IMA Members directory in this 106th year of our glorious existence. IMA is a large caring sharing loving & close knit family & above all a real friend at the time of need. One of the major problem that we doctors are facing now a days is mob-violence & real life threatening situations in our practice. Most of the times we find ourselves left alone in this crisis unless---

here we need to step in....

step in to group practice.....

I have one hand & you have another...

put them together & we have each other.....

feel of being one family.....

"Alone we can do so little, together we can do so much".

With the help of this directory, we can make more familiar bond & association among each other, helping us to face & handle every situation with courage, strength & confidence and improve the working atmosphere & deter those creating ugly unexpected situations.

The earlier 1st & 2nd editions of our IMA directory were edited by Dr. Rita Mittal who brought the Kanpur IMA directory in existence. This edition brings you thoroughly revised & updated data. this edition of directory has only been possible with persistent efforts of our young Dynamic President, Dr. Praveen Katiyar, his committee & IMA staff who have completed this challenging task with great efforts materializing the saying of great Swami Vivekananda, "All power is within you. You can do any thing & everything. Believe in that".

No stone has been left unturned to complete this mammoth task so well.

Friends, life is too short, make more friends, help many more & live life to the fullest everyday every moment & strengthen the IMA family with all your might.

Regards

Message from the Co-Chairperson Directory Sub Committee

Esteemed member,

Congratulations! You are holding your new IMA directory.

I remember when the first pictorial directory was conceived and produced by an elaborate and painstaking efforts of Dr. Rita Mittal and her team in 2007. I was a secretary aspirant those days and was watching everything happening in IMA with a keen interest. I can tell you this directory increased the bond and friendship among the members in leaps and bounds. This tradition started in 2007 and continued when an update was published in the centenary year of IMA by Dr. Rita Mittal and I was again a President aspirant. In the gap of six years lot of water has flown in the river Ganges and many new members have been added to our fraternity. It is the need of the hour to have an updated photo directory. Kudos to Dr. Praveen Katiyar with his unmatched and visionary qualities for getting it happen.

With best wishes.

Long live IMA

Long live friends.

Dr. Alka Sharma

Message from the Hony Secretary IMA Kanpur, 2017-18

We are indeed thankful to the editor and its team for accomplishing the task in time. This addressograph is the result of their organized dedication. It is an important asset of everybody's clinic. I.M.A. Kanpur is the 5th largest branch in the country, so it is important for such a large organization, to bring all the members together, add new members & weave them into a family.

We welcome & acknowledge new members. Members are a lifeblood of an organization. I request all the members to be a part of educational programs & cultural performances, so that we get to know each other well, as participation promotes wonderful camaraderie among our members. Even small events require sacrifice, struggle, sleepless nights, tireless exertions, passionate concern of dedicated individuals.

"We may have come on different ships but are in the same boat now"

Believe me, my journey has not been a simple one, there has been many ups & downs, impediments & hurdles, it was all your support that has helped to shape me & put forth the best out of me. We really worked hard to come up to your expectations. One can do different & better but can never claim to be perfect.

"None of us is as smart as all of us"

Our ambitions must be broad enough to include the aspirations and needs of others, we should not only seek achievement for ourselves as coming together is beginning, keeping together is progress & working together is success. We should always create positive energy around us which is an important attribute in a long run.

"Negativity opens the door of hell

Positivity leads to success"

Dr. Anurag Mehrotra

Message from the Hony Secretary IMA Kanpur, 2016-17

Esteemed Members,

This is indeed a matter of great pleasure and pride that Addressograph is now ready for distribution. I shall like to express my warmest congratulations to IMA Kanpur on its past achievements and sincerely wish that Branch achieves new height over the forthcoming years. I also wish to pay my tribute to our founder members who were responsible for creation of this branch.

Progress has always been an ongoing process, we should always look forward. Nobody can claim that things done are the best as there is always chance to improvise. We were enjoying the proud privilege of things done by our seniors and it was time now our time to deliver. 105th year of IMA shall be written in history as one of the greatest achievement IMA has achieved under the young, dynamic leadership of Dr. Praveen Katiyar, who became the youngest ever President in history breaking the record of our Past President Dr R N chaurasia. It was time for us to deliver the pending list of work was so long that sometime it looked to us like climbing the Mount Everest-

क्यों डरे जिंदगी में क्या होगा,
कुछ न हुआ तो तजुर्बा होगा।
हँसती आँखों में झाँक कर देखो,
कहीं कोई आँसू छुपा होगा।

We shifted the office from Geetanjali Bhavan back to IMA premises, completed IMA blood bank, got inaugurated and is presently functioning well. We never compromised on quality of programme defined for calendar year infact did more than that, generated money for building fund but the directory was always in our mind as to make the year more special and it was the need of the hour, a lot of members have joined our prestigious IMA and it was very necessary to upgrade 5 year expansion of the association.

I am indebted to advertisers. I shall like to thank my wife Dr Sonal Mishra for standing with me in all Good and Emotional times of my life.

But one Person I will thank the most Dr. Praveen Katiyar, who always needs a special mention, his unmatched infectious energy, eagerness to work and efforts made by him to uplift the Association is to be highly appreciated and honestly credit of publishing this Directory goes to him.

In the end I would say life is too short-

एक लम्हे में सिमट आया है सदियों का सफर, जिंदगी कुछ तेज चली हो जैसे।

Make more friends and live life king size.

Message from the Co-ordinator Directory Sub Committee

Dear Fellow Members,

Warm Greetings!!

It is indeed a matter of great honour for me to be a part of the team bringing out "Revised & Updated IMA Kanpur Branch Members Profile & Phone Directory".

I am very thankful to the President, IMA Kanpur, Dr. Praveen Katiyar, Past Hon. Secretary Dr. Rahul Mishra, Hon. Secretary, Dr. Anurag Mehrotra, Dr. A. C. Agarwal, Chairperson, IMA Members Directory Sub Committee, Dr. Alka Sharma, Co-Chairperson, IMA Members Directory Sub Committee for making me a part of this Historic Task.

Indian Medical Association, Kanpur Branch is one of the largest branch in the entire country with a membership of about 2500 Medical Practitioners. It is therefore responsibility of the office Bearers to bring the members together by expanding the horizons, to make better fellowship sharing mutual Interests & experiences.

To achieve this, the first IMA Kanpur Branch Members Directory was published in year 2008 during the tenure of President Dr. Awadh Dubey & Hon. Secretary, Dr. A. C. Agarwal by the Editor Dr Rita Mittal. After a gap of few years, revised edition of IMA Members Directory was published in 2012 (Centenary Year) during the Tenure of President Dr. S K Misra, Hony. Secretary Dr. Pankaj Gulati by the Editor Dr. Rita Mittal.

With the passage of time & after a gap of about Five Years, there was a strong need for a New Revised & Updated Edition of IMA Members Addressograph. 106th Year of IMA Kanpur Branch was the most appropriate occasion for bringing out a voluminous, glossy & colorful addressograph with variety of data & information updating old ones & adding new members profiles.

I would especially express my gratitude to the President IMA Kanpur Branch, Dr. Praveen Katiyar for his dedication, determination & his strong sense of duty towards IMA Kanpur. It is only due to his hard work that it was possible to fulfill this Mammoth Task.

I would be failing in my duty if do not pay my gratitude to Mr. R.S. Sachan ji, Office superintendent for his commendable support in completing this difficult task.

I am very sure that this Marvelous piece of splendid work would prove of great convenience not only to our esteemed members but also to the community. I wish & pray that this Herculean Work would be remembered in the history of IMA Kanpur as "A State of the Art Masterpiece".

Long Live IMA!!
